Systems Integration - HR, Payroll and Timekeeping

The overall effectiveness of your HRIS investment ties directly to how well each of your puzzle pieces is connected. Duplicate entry and isolated HR systems not only reduce efficiency, but lead to inaccurate data, error-prone processes and ongoing user frustration. Since 1988, Galaxy Technologies has effectively integrating HRIS systems. Whether you deploy one of our existing tools or need a 100% personalized custom solution, Galaxy will be your long-term partner in integrating your workforce technology.
