

the leader in time and attendance, human resources and payroll solutions.

FOR IMMEDIATE RELEASE

Galaxy Technologies, Inc. Named Top Business Partner of the Year in Specialized Business Solutions for Sage Abra HRMS for 2006

Galaxy Awarded President's Circle Designation for Seventh Year and Joins the Million-Dollar Club.

Madison, WI – October 26, 2006 – Galaxy Technologies, Inc., a Sage Software business partner specializing in the sales, installation and support of Sage Abra has been named Sage Software's Business Partner of the Year in Specialized Business Solutions for the past fiscal year (October 1, 2005 to September 30, 2006.). Galaxy receives Business Partner of the Year honors for being the top-producing business partner for Sage Software's Abra HRMS product line, adding to the company's impressive showing this year as a Sage Software President's Circle Winner and Million Dollar Club member.

"As the software reseller channel evolves, Sage Software business partners continue to excel due to a keen focus on the customer," said Taylor Macdonald, executive vice president, channel and sales operations, Mid-Market Division. "Our Business Partners of the Year represent a group of highly successful businesspeople that have embraced a changing marketplace by delivering the combined products, services and support their clients need to succeed. We congratulate all winners this year for their outstanding performance and wish them continued success in 2007."

"Galaxy Technologies is dedicated to exceeding customer satisfaction. We keep our customers returning to us for additional solutions with our product value and attention to service," stated Galaxy CEO Jim Wacek. "Our TimeStar™ Optimized - Abra Edition time & attendance and Sage Abra HRMS provide organizations of all sizes with a comprehensive solution."

Galaxy Technologies has been an Abra HRMS business partner since 1990 and has developed complementary enhancement modules and time & attendance solutions allowing organizations to use Galaxy Technologies as a single source for all their human resources, payroll and time & attendance needs. Galaxy Technologies customer centric consultative approach to sales focuses on client goal achievement and providing the appropriate product feature mix which allows customers to reach their unique business goals.
