

Delivering Innovative Timekeeping & Workforce Management Solutions Since 1988.

FOR IMMEDIATE RELEASE

Galaxy Technologies, Inc. Again Named Top Business Partner of the Year in Specialized Business Solutions for Sage Abra HRMS for 2007

Galaxy Awarded President's Circle Designation for Eighth Straight Year and Enters the Million-Dollar Club for Second Consecutive Year.

Madison, WI – October 29, 2007 – Galaxy Technologies, Inc., a Sage Software business partner specializing in the sales, installation and support of Sage Abra has been named Sage Software's Business Partner of the Year in Specialized Business Solutions for the past fiscal year (October 1, 2006 to September 30, 2007). Galaxy receives Business Partner of the Year honors for being the top-producing business partner for Sage Software's Abra HRMS product line, adding to the company's impressive showing this year as a Sage Software President's Circle Winner and Million Dollar Club member.

"Our Business Partners of the Year represent a group of highly successful businesspeople that have embraced a continually changing marketplace by delivering the combined products, services and support their clients need to succeed," Doug Meyer, Sage Software president, Industry & Specialized Solutions Division. We congratulate Galaxy Technologies, Inc. this year for their outstanding performance and wish them continued success in 2008."

"We've had a fantastic year with our full line of HR and Payroll offerings by Sage, and are honored to again be recognized as Sage's Business Partner of the Year," stated Galaxy CEO Jim Wacek. "When integrated with our TimeStar™ line of 'Abra-optimized' time & attendance technology, we feel there is absolutely no better punch-to-paycheck solution for the small and mid-market than the Sage Abra HRMS Suite, teamed with Galaxy's expert and hands-on consulting and support."

"...There is absolutely no better punch-to-paycheck solution for the small and mid-market than the Sage Abra HRMS Suite, teamed with Galaxy's expert and hands-on consulting and support."

Galaxy Technologies has been an Abra HRMS business partner since 1990 and has developed complementary enhancement modules and time & attendance solutions allowing organizations to use Galaxy Technologies as a single source for all their human resources, payroll and time & attendance needs. Galaxy Technologies customer centric consultative approach to sales focuses on client goal achievement and providing the appropriate product feature mix which allows customers to reach their unique business goals.
