

Delivering Innovative Timekeeping & Workforce Management Solutions Since 1988.

FOR IMMEDIATE RELEASE

GALAXY HIRES SALES ENGINEER

MADISON, WI, July 26, 2007 -- Galaxy Technologies, Inc. announces the addition of Patrick McCarthy, joining the Galaxy team as Sales Engineer. Patrick previously held the position of Galaxy Software Application Consultant. Using extensive product knowledge and technical savvy, Patrick's focus will be on ensuring project quality and performing a deeper level of due diligence with existing and prospective clients. As Sales Engineer, Patrick will work directly to further assist clients and exceed expectations with service and value.

About Galaxy Technologies

Headquartered in Madison Wisconsin with offices and partners located throughout North America, Galaxy has been developing and delivering innovative labor productivity tools since 1988. Galaxy's principle products include software solutions to track, allocate, analyze, and control labor resources. Galaxy also offers a comprehensive range of automated time collection devices for all employee populations. Galaxy is a distinctive organization with an extensive background in creating and developing a complete system solution in a variety of operational areas, with particular focus in time & attendance, human resources, payroll and data collection systems.

Galaxy is at 2990 Triverton Pike Dr, Madison, WI 53711. For more information visit www.galaxy-inc.com or contact Galaxy Technologies, Inc. at 800.814.9096 or information@galaxy-inc.com.
