

Delivering Innovative Timekeeping & Workforce Management Solutions Since 1988.

FOR IMMEDIATE RELEASE

GALAXY ADDS LABOR MANAGEMENT CONSULTANTS

MADISON, WI, MARCH 5, 2008 -- Galaxy Technologies, Inc. announces the addition of Tony Alvizu and Greg Peterman, joining the Galaxy team as a Labor Management Consultants.

With over 9 years industry experience, Tony's focus will be on developing, fostering and maintaining relationships with existing and potential customers. Tony leverages his extensive knowledge of HRIS best practices combined with the latest technologies to provide his clients with an understanding of the variety of options available to them. As a Labor Management Consultant, Tony will work directly to further assist clients and exceed expectations with service and value.

Since 1995, Greg Peterman has been instrumental in providing corporations with the workforce solutions required to better control labor costs. Greg's advanced technical background, including being a certified MCSE, teamed with his knowledge of best business practices and industry experience allow him to provide clients with an understanding of the variety of options available. Greg continuously exceeds customer expectations with service and value.

About Galaxy Technologies, Inc.
