

Delivering Innovative Timekeeping & Workforce Management Solutions Since 1988.

## FOR IMMEDIATE RELEASE

### **GALAXY TECHNOLOGIES, INC. LAUNCHES ENHANCED AND EXPANDED CORPORATE WEBSITE**

**MADISON, WI, AUGUST 17, 2009** -- Galaxy Technologies, Inc. ([www.galaxy-inc.com](http://www.galaxy-inc.com)) announces the launch of its newly enhanced and redesigned corporate website. Galaxy-inc.com reflects the expanded solutions and product options delivered by Galaxy while at the same time highlighting the multitude of services and support available to clients. Improved functionality, navigation, and a variety of features including an interactive savings calculator, supply the valuable information customer's need easily and accessibly.

"The intent of the redesign was to better serve our customers by improving online identity," said Matt Petersen, Vice President of Technology at Galaxy Technologies. "We've invested in our products, services, and technologies through the years and have successfully been able to develop additional options. By integrating the enhanced solutions into our improved web presence, we're making these options easier for both existing and potential customers."

"Going forward, our greatly improved web site will serve as the focal point for the launch of other state-of-the-art offerings, and will reflect our evolving vision of Galaxy Technologies, Inc., prospects and customers alike will appreciate how robust the online channel can be."
